Review [SENSE Options and Rates](#) and provide the college's selections below.

If necessary, the college can return to this page later to make additional selections as long as the registration form has not been submitted for processing. Select "Save and Continue" at the bottom of the page to save all entered information and move on to the next page.

Base Pricing

For basic pricing and invoicing information, visit the [Options and Rates](#) page.

SENSE/CCSSE Joint Membership

Earn a 20% discount! Commit to participate in both SENSE and CCSSE in the same academic or calendar year to take advantage of this special discount. For details, visit the [Options and Rates](#) page.

Yes, my college would like to commit to join both SENSE 2021 and CCSSE 2022.

Consortium Options

A group of colleges with common interests, characteristics, or locations may form a SENSE consortium and receive comparative aggregated data reports and, if the group chooses, it may administer a custom consortium special-focus module. For more information about consortium membership, please visit the [Options and Rates](#) page.

Eligible colleges may participate in the **Hispanic Student Success (HSS)** consortium. The consortium consists of qualifying institutions—those that have Hispanic-Serving Institution (HSI) designation and/or hold membership in the Hispanic Association of Colleges and Schools (HACU).

Yes, my college would like to join the HSS consortium.

Administration Modality

Colleges considering an online administration of SENSE 2021 should review the [Online SENSE 2021 FAQs](#).

- My college will administer the in-class, paper-and-pencil version of SENSE
- My college will administer SENSE online
- We do not have enough information available to make a decision about administering on paper vs. online (note that colleges selecting this option will be treated as if administering on paper until they indicate otherwise)

Special-Focus Modules

For an additional fee of \$750 per module, a participating SENSE college may add up to two modules of up to 12 items each to the survey. For more information visit the [Options and Rates](#) page.

Colleges not administering two special-focus modules of their own choosing will automatically receive a 12-item module on [Students in Need](#) free of charge.

Mark up to two special-focus module selections below.

- Students in Need**
 - Academic Advising and Planning (2016)
 - Building Relationships
 - Commitment and Support
 - Engagement through Technology
 - Financial Assistance
 - Guided Pathways
 - Promising Practices for Community College Student Success
 - The Working Learner
 - Student Success Courses
 - Custom Special-Focus Module (a module composed of items selected by the institution)
 - Consortium Special-Focus Module (a module composed of items selected by the consortium)

Finalized module selections are due to the Center by **May 21, 2021**.

Oversampling

For an additional fee, colleges can conduct an oversample to survey students not selected as part of the random sample. For further details on oversampling, visit the [Options and Rates](#) page.

Yes, my college is interested in conducting an oversample.
